

CONFIRMATION OF OFFER OF ACADEMIC TRAINING

MUST be completed by the academic training provider

By completing this form you are agreeing to extend an academic training opportunity to a Fulbright student and in support of the Fulbright program, an international exchange program sponsored by the U.S. Department of State (DOS) and partner governments. The program seeks out academically exceptional individuals with the potential to take on the challenges of contributing to their fields in their home countries. The role your organization will play in this Fulbrighter's professional development is greatly appreciated. Fulbright exchange students, as J-1 visa holders [22 Code of Federal Regulations 62.23 (f)], can apply for DOS and home-country-sponsor approval to participate in academic training and are required to return home for a minimum of two years after completing academic training.

Please comment on whether the academic training opportunity is consistent with the following:

- Honors skills that prepare the student for the home country job market;
- Directly relates to the Fulbrighter's field of study;
- Encourages the Fulbright goal of building human networks around the globe by honoring and contributing to the student's commitment to develop his or her field of study in the home country.
